WAX SERVICES

CARNAUBA WAX **\$55**

Effectively restores vitality to the exterior finish. Removes light scratches. Provides a brilliant shine. Guaranteed to outperform paste waxes.

POLYMER PROTECTOR **\$70**

Designed for new car finishes. Unique formula, specially fortified with teflon is professionally applied into the car's surface to invigorate a high-gloss finish.

OXIDIZED HIGH SPEED BUFF **\$150**

Great for badly oxidized cars. The car is renewed by rubbing compounds and extra heavy polishes using a high speed buffer. This process restores the surface, by removing dead paint, allowing the carnauba wax to properly bond to the car's surface. You'll be amazed by the results. Additional charge for over-sized vehicles.
